

“Advertisement of a Position of Associate Professor”
Research Laboratory for Nuclear Reactors, Tokyo Institute of Technology, Japan

1. Position: Associate Professor
2. Division: Energy Engineering Division
3. Retiring age: 65
4. Fields of Research and Education:
 - (1) Research fields: Engineering of Nuclear Chemical Processes
Research themes should contribute to the development of chemical process engineering related to nuclear reactors, nuclear fuel cycle, recovery of Fukushima and decommissioning of reactor, and nuclear thermal energy utilization, and to the establishment of nuclear energy systems with high safety and efficiency.
 - (2) Education for graduate students and human resource development in above fields.
5. Qualification: Ph.D. or doctoral degree is required.
6. Starting date: December 1, 2014 or later
7. Application documents to be submitted:
 - (1) C.V. with photo, e-mail and mailing addresses, education and professional careers, and prizes or awards
 - (2) List of publications (Classify into refereed (peer-reviewed) journal papers, non-refereed papers, conference proceedings, books, commentaries, and patents, with all authors in the same order as in each publication.)
 - (3) Off prints or copies of five significant articles (with citation index)
 - (4) Acquired research funds (Titles, budgets, and periods of researches. Clarify principal investigator or co-investigator, allotted budget if not principal investigator.)
 - (5) Summary of activities in academic societies, government committees, etc.
 - (6) Summary of past research and teaching activities (two A4 pages)
 - (7) Future plans of research and education (two A4 pages)
 - (8) Letters of recommendation (from two academic persons)
8. Deadline for application: August 29, 2014
9. Selection procedure: Interviews will be performed, if necessary.
10. Mailing address for the application
Office of Research Laboratory for Nuclear Reactors,
Tokyo Institute of Technology
2-12-1-N1-16 Ookayama, Meguro-ku, Tokyo 152-8550, Japan
11. Notice:

Applicants must write “Application documents for Position of Associate Professor” in red on the front of the envelope. Applicants should send the application documents by registered mail or express shipping service. We cannot accept the applications by e-mail or internet file attachment. The application documents will not be returned.
12. Contact person:
